Please read to your child"

A current shot record on the GA form is required for enrollment, per state regulations. We are being audited on this month, so we must have all children up to date or they can not be in attendance on that day.
Thank you!

Please do not bring in outside food.

We have children enrolled who have food allergies and we want to make sure these children do not intake or even touch certain foods for their safety. Also, if a child were to bring in a doughnut for breakfast and then sat in front of the other children to eat this, you can see how this would cause problems.
Thank you!

**If you haven't done so already, please bring in a family picture for your child's classroom.
Thank you!**

Please label your child's clothes - especially their jackets.
Thank you!

Turn over please

March 2020 Newsletter continued . . .

Have you heard about our Referral Program? If you refer a child to our center and they are enrolled for at least 4 weeks and their account is paid up-to-date, you will receive a credit on your account to show our appreciation. For instance, if you refer an infant and all of the rules are met, a credit of \$140.00 will be applied to your account! Please check with the office if you have any questions. Thank you!

**For parents whose children who require
diapers and wipes . . .**

Please, please, please make sure their teachers have plenty of diapers and wipes each day. It is always a good idea to put their name on them, too.

Thank you!!!

Important Reminder!

Please remember that our drive thru areas are for quick pick ups/drop offs (2 - 3 minutes) only. For those of you who enjoy visiting with your child's teacher or if you have a question for management, please park your car in the parking spaces to the left or right.

Thank you very much for your consideration!

No diaper bags or back packs please.

We don't have the room for everyone to bring bags and also, if a bag was accidentally left low enough for a child to rummage through, there could be items that would be hazardous to their health (cigarette lighters, diaper cream, sun block, etc.) This is against state policy. Also, please keep extra clothes in your child's cubby.

Thank you for your cooperation!

A Note About Arrival Times

Our cut off for arrival is 10 a.m., but we ask those arriving near this time to consider arriving earlier. Reasons for doing so is that your child will be able to participate in circle time and hands-on activities that stimulate his/her mind. Also, nap time usually goes a lot smoother. Thank you for your consideration!
